

# PIXIECON 13

Saturday 5th October 2013  
10:00 - 14:00  
Bay Arena, St. Julian's, Malta

This year marks the first edition of PixieCon. This event will be an opportunity for us to showcase our work whilst providing an informal setting for developers, artists, designers and other game development professionals to meet with our team.

## Game launch & competition

We will be launching our first game with a live demo by "Gadgets" presenter Ian Busuttil Naudi.

You will have the chance to play the game and compete to achieve the highest score in our competition arena.

Great prizes to be won!

## Company information sessions

Interested in pursuing a career in digital games?

Learn more about current and future opportunities with the company and meet with members of the Pixie Software team in a casual and informal setting.

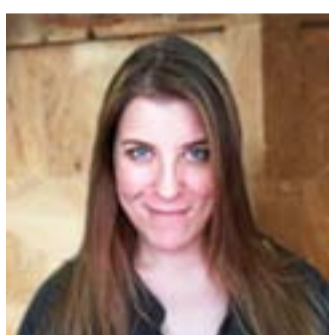

To attend an information session, register at [www.pixiecon.com/cis](http://www.pixiecon.com/cis)

## Student project showcase

Are you a student with a passion for creating digital games? We would like to invite you to exhibit your work during PixieCon 13.

For details on how to participate visit [www.pixiecon.com/studentprojects](http://www.pixiecon.com/studentprojects)

## Digital art showcase

Game development entails a high element of creativity, especially in the creation of art assets. To encourage such talent we are giving digital artists the opportunity to showcase their work.

If you would like to exhibit your work, please view our submission guidelines at [www.pixiecon.com/digitalart](http://www.pixiecon.com/digitalart)
